WE ARE SOMA WEST CBD

A Community Forum With City Leaders and Stakeholders

DATE: 8/26/20

DURATION: 11:00 - 11:45 AM PT / 45 MINUTES: 30 MINUTES PANEL DISCUSSION / 15 MINUTES Q&A

YOU ARE INVITED!

Join **SOMA West CBD** for a lively and informative online Community Forum as we discuss how we are helping the local community with the maintenance, security and marketing of the district, and as we lay out our vision for the future of the district.

DISCUSSION TOPICS WILL INCLUDE:

The cultural identity of **SOMA West**: with emphasis on the long-standing contributions from San Francisco's LGBT and Filipino Cultural Districts, both of which call this neighborhood home.

The unique challenges facing the **SOMA West** district: we'll discuss steps we are taking to keep the neighborhood clean and safe.

The future: we will set out our path forward to address the challenges of the future so we, as a relatively young CBD, can grow to meet those challenges.
